## ***Background***

The committee for the Center Alumni Hall of Fame is seeking nominations for 2010. Candidates for nominations must be alumni of Center High School. Categories for candidates may include but are not limited to outstanding achievement in or contributions to the Arts, Athletics, Business, Education, Government, Medicine, Sciences, and Humanitarian acts. Any other contribution or effort not covered by the preceding list will still be considered by the committee. After a nomination is made, it is not necessary to resubmit yearly; the nomination will be valid for a five-year period. Our nominees will be honored at a dinner in the fall of 2010.

While the committee is taking care of the judging process, it is the number and quality of nominations received that will determine the success of the program. The submission of nominations is the very important role played by students, parents, faculty, peers, administrators and community members.
