Center Area School District

SECTION: PROGRAMS

TITLE: TUTORIAL INSTRUCTION

ADOPTED: JANUARY 16, 2003

REVISED:

116. TUTORIAL INSTRUCTION

1. Purpose

The Board recognizes that the discharge of its responsibility to provide a thorough and efficient system of education for each child in the district may require special help for some students beyond the regular classroom program.

2. Authority

When the student's learning interests and needs are sufficient to warrant help beyond the ordinary classroom instruction, special instruction and services may be utilized. This determination will be made through joint consultation of the classroom teacher, parent and the appropriate representative of the administration. Said programs shall include:

1. Ongoing communication among administration, teaching staff members, and parent(s) or guardian(s) of pupils in tutorial instruction.

2. Evaluation procedures which measure pupil achievement related to such educational program objectives and standards.

In certain cases where extra help is desirable and the parents request such assistance the Superintendent, or his/her designee, may recommend that the parents secure after-school tutorial services for the student.
