

Future Business Leaders of America Scholarships:

Scholarships available to 2019 graduates are listed below. Class of 2019 students should review the list published in September and send a letter indicating your intent to apply for a scholarship to the contact person listed for the school. That school will provide you with all necessary materials to apply for its scholarship; there are no other materials required by PA FBLA to be submitted. The individual schools are responsible for the selection of the scholarship recipients.

The received by deadline for the 2019 William Selden Scholarships will be in February 2019. Refer to the PA FBLA scholarship information on www.pafbla.org for specific details about each scholarship.
