Ms. Christina Feragotti, Assistant Principal
Email: cferagotti@centralvalleysd.net

Dear Parent(s) or Guardian(s):

Your son/daughter _____ has been referred to the Central Valley Student Assistance Program (SAP). The goal of the SAP is to identify and refer students who are experiencing barriers to learning. Our goal is to work with you and to offer support and recommendations which can be achieved through collaboration with the students and family as well as a referral to school and/or community resources. Participation in the SAP program is voluntary and parental permission is needed.

In addition to SAP program, the Central Valley Middle School understands the importance of teaching proactive strategies, defining student expected behaviors, and supporting appropriate behaviors through the implementation of the School Wide Positive Behavior Interventions and Supports (SWPBIS). The SWPBIS framework focuses on sustaining and providing supports through a three-tiered system. Tier 1 (universal) serves as the foundation for teaching the expected behaviors to all students, Tier 2 (targeted group) provides students targeted interventions who require more support, and Tier 3 (individual) gives intensive supports designed to help students with significant social/emotional needs. In order for any student to receive Tier 2 or Tier 3 supports, parental permission is needed.

The Central Valley Middle School is requesting your consent for permission for your child to become involved in the SAP and Tier 2/3 supports.

I give my consent for participation in SAP and Tier 2/3 supports.

Signature

Date

I do not give consent for participation in SAP and Tier 2/3 supports.

Signature

Date

This consent will expire at the end of the school year.
