CENTRAL VALLEY HIGH SCHOOL STUDENT DRIVING REGULATIONS

STUDENTS MAY PARK THEIR VEHICLES ON SCHOOL PROPERTY ONLY IN AREAS THAT ARE DESIGNATED FOR STUDENT PARKING AND IF A PARKING TAG IS DISPLAYED.

DRIVING IS A PRIVILEGE NOT A RIGHT!

Students who endanger others by improper use of their vehicles will be denied parking privileges. No student is to use the areas set aside for Office Parking, Faculty Parking or Emergency Parking.

To be issued a parking tag, students must apply to the administration for permission to park a vehicle in one of the student parking areas. Student driving and registration applications are attached. Listed on the application are the requirements that students must meet in order to obtain a parking tag. Students who drive a motor vehicle to school must know and obey the following rules:

1. Register the vehicle each school year by completing an application form and paying a non-refundable fee of \$10 per year upon submission of application. (applications received after May 1 will be \$5 fee)
2. Display a parking tag that is issued for the current school year.
3. Park in the assigned parking spot designated on your parking tag.
4. Driving from the school grounds is not permitted during school hours.
5. Obey the speed limit of 15 MPH as posted, speeding and careless driving will result in loss of privileges
6. Upon arriving at school, you must vacate your vehicle immediately and report to the school building. Sitting in cars during school hours is not permitted.
7. Students are not permitted to go to their cars during school hours, unless permission is given by the Administration Team.
8. Absences, tardies, suspension from school, and lack of effort toward school assignments will result in the loss of driving privileges.
9. Vehicles parked on school property in designated parking areas are subject to search by school officials for contraband.
10. Students not using their space on a regular basis may be required to forfeit their parking pass.
11. Students observed, or reported for, leaving their assigned parking space before the buses leave will lose their driving privileges. Buses have first priority in leaving school grounds at dismissal.
12. Observe the "ONE WAY" traffic pattern around the school building.
13. Parking tags are not transferable; therefore, tags cannot be lent to another student for any reason. Violators of this policy will lose their driving privileges.
