

ESL Written Complaint Resolution Process

Purpose

Any student and his/her family can file a written complaint with the school district. This written complaint may or may not pertain to the Central Valley School District's ESL program.

Distribution of Written Complaint Process

The Central Valley School District Board of Education is currently updating its board policies. The district's written complaint resolution process documents are contained within the proposed new board policies. Until the policies specific to the written complaint resolution process are voted on and accepted by the district's board of education, they can't be distributed. The appropriate documents will be distributed and posted on the district's website as soon as possible. Copies of the proposed written complaint resolution process documents will be attached for review.
