WHEREAS, the Central Valley School District, Beaver County, Pennsylvania, (the “School District”) is a school district, organized and existing under the laws of the Commonwealth of Pennsylvania; and

WHEREAS, pursuant to a resolution, adopted on March 16, 2017, (the “2017 Resolution”), the School District authorized the incurring of debt, evidenced by the Central Valley School District’s General Obligation Bonds, Series of 2017, in the aggregate principal amount of \$9,800,000 (the “2017 Bonds”), \$9,780,000 aggregate principal amount of which is presently outstanding and payable through December 1, 2047, to fund additions and renovations to Todd Lane Elementary School and to pay the costs of issuance, which project had an estimated useful life in excess of thirty (30) years from 2017; and

WHEREAS, the School District intends to refund all or part of the principal and interest of the 2017 Bonds as shall be identified in the Bond Purchase Proposal (defined below) (the “Refunded Bonds”) (the “2022 Refunding Program”); and

WHEREAS, the School District intends to fund a capital project, being renovations to the Central Valley Middle School, including but not limited to roof replacement and various other capital improvements related to the building (the “2022 Capital Project”), having an estimated useful life in excess of twenty-five (25) years from 2022; and

WHEREAS, the Board of School Directors of the School District (the “Board”) desires to invite Boenning & Scattergood Inc. NOW THEREFORE, BE IT RESOLVED by the Board of School Directors of the Central Valley School District, Beaver County, Pennsylvania, and it is hereby RESOLVED by the authority of the same, as follows:

SECTION 1. The School District hereby undertakes the 2022 Project. The description of the 2022 Project, contained in the recitals to this Resolution, is hereby included herein.

SECTION 2. The Board hereby determines to incur and authorizes the incurrence of nonelectoral debt, in accordance with the provisions of the Debt Act, in an amount not to exceed \$14,000,000, to fund the 2022 Project, which has an estimated useful life in excess of twenty-five (25) years from 2022. Such debt shall be evidenced by the issuance of the 2022 Bonds.

SECTION 3. After considering the advantages and disadvantages of a public sale of the 2022 Bonds, the Board hereby determines that a private sale by negotiation is in the best financial interests of the School District.

SECTION 4. (a) The School District invites and authorizes the Purchaser to submit, in the manner herein provided, the Proposal for the purchase of all but not less than all of the 2022 Bonds, bearing rates, terms and other provisions not inconsistent with this Resolution.

(b) The Proposal shall be submitted to the President or Vice-President of the Board (the “President” or “Vice-President”, respectively) for approval and acceptance, which Proposal shall include the interest rates, principal amounts, maturity and interest payment dates, and redemption provisions of the 2022 Bonds, the identification of the particular 2017 Bonds (and the interest thereon) to be refunded or redeemed and the debt service of the 2017 Bonds to be refunded and related matters, as shall comply with the provisions of this Resolution, and which the President or Vice-President, the School District’s Solicitor and the Bond Counsel shall approve. The execution and delivery of the acceptance of the Proposal by the appropriate officers of the School District shall constitute conclusive evidence of such approval and consummate the Bond Purchase Contract to effect the sale and purchase of the Bonds.

(c) The Proposal must meet the following requirements:

(i) be submitted to the School District for acceptance no later than December 31, 2022; and

(ii) the aggregate purchase price for the 2022 Bonds to be purchased pursuant to the Proposal shall not be less than the total of (A) 98% of the aggregate principal amount thereof, (B) respectively reduced or increased by any net original issue discount or premium, if any, and (C) plus accrued interest, if any; and

(iii) the total scheduled principal and interest payable over the life of the 2022 Bonds shall not exceed \$23,956,800.00; and

(iv) it must identify the dated date and the interest payment dates and the principal retirement dates (whether such retirement be by maturity or mandatory sinking fund redemption) for the 2022 Bonds to be purchased pursuant thereto; and

(v) the 2022 Bonds contemplated by the Proposal must conform to the requirements of the Debt Act and this Resolution; and

(vi) the debt service savings resulting from the refunding of the Refunded Bonds must be at least \$100,000.00 including the amount to be deposited to the 2022 Bonds Construction Fund (defined below).

(d) The President or Vice-President is authorized and directed to execute the Bond Purchase Contract in the name of and on behalf of the School District. The Secretary of the Board (the "Secretary") is authorized and directed to affix the seal of the School District to the Bond Purchase Contract when so executed; to attest the same; and to deliver an executed counterpart of the Bond Purchase Contract to the Purchaser.

SECTION 5. (a) The Board determines that the 2022 Bonds shall bear interest no greater than the maximum rates of interest set forth in Schedule "A" and shall mature, whether by mandatory sinking fund redemption or maturity, on the dates set forth in the Proposal and in principal amounts so that the aggregate amount maturing or subject to mandatory redemption in any particular fiscal year of the School District shall not exceed the maximum amounts therefor, set forth in Schedule "A" attached hereto. The 2022 Bonds shall be subject to optional and mandatory sinking fund redemption as set forth in the Proposal, as submitted to the School District in accordance with the provisions hereof.

(b) The Bonds shall be numbered consecutively as issued, beginning with the Number 1, without regard to denomination or maturity, and shall bear interest from their Dated Date (as defined below), accruing on the basis of a 360-day year of twelve 30-day months, at the rates per annum, and shall mature or be subject to the mandatory sinking fund redemption on the dates and in the aggregate principal amounts, as set forth in the Proposal, subject to the provisions that:

(i) the rate of interest per annum and the yield for each maturity of the 2022 Bonds shall not exceed the rates therefor set forth in Schedule "A" attached hereto and incorporated herein; provided that, in the case of term bonds, the applicable maximum rate of interest and yield shall be the maximum rate of interest and yield set forth in Schedule "A" for the relevant maturity date for such term bonds; and

(ii) the aggregate principal amount of 2022 Bonds scheduled to mature or to be subject to mandatory redemption, as the case may be, in any fiscal year of the School District shall not exceed the principal amount set forth for each year in Schedule "A" attached hereto; and

(iii) each 2022 Bond shall bear interest accruing from a date (its "Dated Date"), which date shall be not earlier than sixty (60) days prior to the Bond's date of initial issuance and delivery, as more fully specified in the Proposal; and

(iv) the resulting debt service scheduled to be payable upon the 2022 Bonds in any particular fiscal year of the School District shall not exceed the amount shown for such fiscal year in Schedule "A" attached hereto.

SECTION 6. Zions Bancorporation, National Association, is hereby appointed Paying Agent (the "Paying Agent") and Registrar (the "Registrar") for the 2022 Bonds and Sinking Fund Depository (the "Sinking Fund Depository") for the 2022 Bonds Sinking Fund (the "2022 Bonds Sinking Fund") created hereinafter. The appropriate officers of the School District are hereby authorized and directed to contract with Zions Bancorporation, National Association for its services as Sinking Fund Depository, Paying Agent and Registrar at such initial and annual charges as shall be appropriate and reasonable for such services. The School District may, by Resolution, from time to time, appoint a successor Paying Agent, Sinking Fund Depository or Registrar to fill a vacancy or for any other reason.

SECTION 7. (a) The Bonds shall be issued in fully registered form (without coupons) and shall be numbered, in such manner as may be satisfactory to the School District and the Paying Agent. Pursuant to recommendations promulgated by the Committee on Uniform Security Identification Procedures, "CUSIP" numbers may be printed on the Bonds. Each Bond shall be dated as of the date of its authentication. The Bonds shall be initially dated as of the Dated Date specified in the Proposal and shall be issued in denominations of \$5,000 or any whole multiple thereof. The 2022 Bonds shall bear interest payable initially on the date specified in the Proposal and thereafter on the dates specified in the Proposal (each, an "Interest Payment Date"), from the Interest Payment Date next preceding the date of such Bond to which interest has been paid, unless the date of such Bond is a date to which interest has been so paid, in which case from the date of such Bond.

(b) As to the 2022 Bonds, the term "Regular Record Date" with respect to any Interest Payment Date shall mean the date specified in the Proposal (whether or not a business day) preceding such Interest Payment Date that is specified as such in the Proposal. The person in whose name any Bond is registered at the close of business on any Regular Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date, notwithstanding the cancellation of such Bond upon any transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date, unless the School District defaults in the payment of the interest due on such Interest Payment Date, in which case such defaulted interest shall be paid to the persons in whose names the applicable outstanding Bonds are registered at the close of business on a Special Record Date established by the Paying Agent for the payment of such interest, which Special Record Date may not be less than ten (10) nor more than fifteen (15) days prior to the proposed date of

payment, notice of which shall have been mailed to all affected registered owners of Bonds not less than ten (10) nor more than fifteen (15) days prior to such Special Record Date.

SECTION 8. (a) The School District shall cause to be kept, at the Designated Corporate Trust Office (hereinafter defined) of the Paying Agent, a register (the “Bond Register”) in which, subject to such reasonable regulations as it may prescribe, the School District shall provide for the registration of Bonds and the registration of transfers and exchanges of Bonds. No transfer or exchange of any Bond shall be valid unless made at such office and registered in the Bond Register. The term “Designated Corporate Trust Office” as used herein means any corporate trust office of the Paying Agent, or affiliated banking institution or trust company acting in its behalf, designated from time to time by the Paying Agent as the place at which principal of or interest on Bonds is to be payable or at which Bonds are to be presented for payment, transfer or exchange, to the extent such designation is permissible under Pennsylvania law, and if such designation is not made by the Paying Agent a place so designated by the School District.

(b) Upon surrender of any Bond at the Designated Corporate Trust Office of the Paying Agent for registration of transfer, the School District shall execute and the Paying Agent shall authenticate and deliver, in the name of the transferee or transferees, a new Bond or Bonds of any authorized denomination, of the same interest rate, series and maturity and in the same aggregate principal amount as the Bond so surrendered.

(c) Any Bond shall be exchangeable for other Bonds of the same series, maturity and interest rate, in any authorized denomination, in an aggregate principal amount equal to the principal amount of the Bond or Bonds presented for exchange. Upon surrender of any Bond for exchange, at the Designated Corporate Trust Office of the Paying Agent, the School District shall execute and the Paying Agent shall authenticate and deliver, in exchange therefor, the Bond or Bonds which the owner making the exchange shall be entitled to receive.

(d) All Bonds issued upon any registration of transfer or exchange shall be valid obligations of the School District, evidencing the same debt and entitled to the same benefits under this Resolution as the Bonds surrendered for such registration of transfer or exchange.

(e) Every Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the School District and the Registrar, duly executed by the registered owner thereof or his duly authorized agent or legal representative.

(f) No service charge shall be made for any transfer or exchange of any Bond, but the School District may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

(g) The School District shall not be required to: (i) issue or register the transfer or exchange of any Bond that could be the subject of such selection during a period of fifteen (15) days before any date of selection of Bonds to be redeemed; (ii) issue or register the transfer or exchange of any Bond after it has been selected for redemption (other than, in the case of Bonds issued pursuant to Section 11., below, in exchange for the unredeemed portions of Bonds duly redeemed in part); or (iii) issue or register the transfer or exchange of any Bond subsequent to any record date for the payment of interest thereon and prior to the interest payment date to which it pertains.

SECTION 9. The Bonds shall be executed on behalf of the School District by the President and shall have an original impression or a facsimile of the corporate seal of the School District affixed thereto, duly attested by the Secretary, and said officers are hereby authorized and directed to execute the Bonds. The Bonds shall be authenticated in each case by the manual execution of the applicable Certificate of Authentication by a duly authorized signatory of the Paying Agent. No Bond shall be valid until such Certificate of Authentication shall have been duly executed by the Paying Agent. Such authentication shall be conclusive and the only proof that any Bond has been issued, pursuant to this Resolution, and is entitled to any benefits conferred thereon under the provisions of this Resolution. To the extent that any one signature on a Bond (including the signature of the authorized signatory of the Paying Agent) is manual, all other signatures may be by facsimile. The President is hereby authorized and directed to deliver the Bonds to the Purchaser and receive payment therefor on behalf of the School District after sale of the same in the manner required by law and this Resolution.

SECTION 10. (a) In consideration of the purchase and acceptance of the Bonds authorized to be issued hereunder by those who shall purchase the same, from time to time, this Resolution shall be deemed to be and shall constitute a contract between the School District and the holders of the Bonds. The covenants and agreements herein set forth to be performed by the School District shall be for the benefit, protection and security of holders of the Bonds, all of which, regardless of the time or times of their issue or maturity, shall be of equal rank, without preference, priority or distinction of any Bond over any other, except as expressly provided therein or herein.

(b) The School District hereby covenants with the holders from time to time of the Bonds: (i) that the School District will appropriate to and deposit in the 2022 Bonds Sinking Fund, such amounts as shall be sufficient and for the

payment of the debt service on the 2022 Bonds; and (ii) that the School District will duly and punctually pay to the extent necessary, out of its general revenues so deposited, the principal of every 2022 Bond issued hereunder and the interest thereon on the dates, at the places and in the manner stated in the 2022 Bonds, according to the true intent and meaning thereof; and for such budgeting, appropriation and payment, the School District hereby pledges its full faith, credit and taxing power.

(c) The Bonds are hereby declared to be general obligations of the School District. The School District hereby covenants with the registered owners, from time to time, of the Bonds outstanding pursuant to this Resolution, that it will include the amount of the debt service as specified in this Section, subject to appropriate adjustment in the event of the optional redemption of any Bonds prior to maturity, on the Bonds for each fiscal year in which such sums are payable, in its budget for that year; will appropriate such amounts for such payments; and will duly and punctually pay or cause to be paid the principal of the Bonds and the interest thereon on the dates, at the places and in the manner stated therein, according to the true intent and meaning thereof. For such budgeting, appropriation and payment, the School District does hereby pledge its full faith, credit and taxing power. The maximum amount of the debt service which the School District hereby covenants to pay on the 2022 Bonds in each fiscal year is (1) the amount shown, for each fiscal year, on Schedule "A", which is attached hereto and incorporated herein by reference as if set out here at length, or (2) an amount equal to the aggregate principal amount of Bonds maturing or subject to mandatory redemption in such fiscal year plus the interest due on the Bonds in such fiscal year, whichever amount shall be the lesser.

(d) As provided in the Debt Act, the foregoing covenants are specifically enforceable.

SECTION 11. (a) The 2022 Bonds shall be subject to redemption prior to maturity, at the option of the School District, at the prices and in the manner to be specified in the Proposal.

(b) The 2022 Bonds shall be subject to mandatory redemption, in part, from the 2022 Bonds Sinking Fund, in the aggregate principal amounts, at the times, at the prices and in the manner to be specified in the Proposal. If less than an entire year's maturity of any particular series of the 2022 Bonds is to be redeemed at any particular time, the 2022 Bonds of such maturity so to be called for redemption shall be chosen by the Paying Agent by lot in \$5,000 increments in the manner it shall deem proper.

(c) Notice of any redemption, including notices of conditional redemption, shall be given by mailing a notice of redemption by first class mail, postage prepaid, not less than thirty (30) days prior to the redemption date to the registered owners of Bonds to be redeemed at the addresses which appear on the Bond Register, provided however, that failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one Bond shall affect the validity of the proceedings for the redemption of any other Bond. If the School District shall have duly given notice of redemption and shall have deposited funds, with the Paying Agent for the payment of the redemption price of the Bonds so called for redemption, with accrued interest thereon to the date fixed for redemption, interest on such Bonds shall forever cease to accrue on such date fixed for redemption.

(d) Notices of redemption shall contain the applicable CUSIP numbers pertaining to the Bonds called for redemption (if then generally in use) and shall also contain the serial identification numbers printed on the Bonds.

(e) Any portion of any Bond of a denomination larger than \$5,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof. Prior to selecting Bonds for redemption, the Paying Agent shall assign numbers to each \$5,000 portion of any Bond of a denomination larger than \$5,000 and shall treat each portion as a separate Bond in the denomination of \$5,000 for purposes of selection for redemption. Upon surrender of any Bond for redemption of a portion thereof, the Paying Agent shall authenticate and deliver to the registered owner thereof a new Bond or Bonds of the same series and maturity and in any authorized denominations requested by the registered owner in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered.

SECTION 12. (a) There is hereby established, with the Sinking Fund Depository, a sinking fund, which may consist of one or more sub-accounts, to be known as “Central Valley School District 2022 Bonds Sinking Fund” (the “2022 Bonds Sinking Fund”) into which the School District covenants to deposit and into which the Treasurer of the School District (the “Treasurer”) is hereby authorized and directed to deposit (i) on or before each Interest Payment Date pertaining to the 2022 Bonds, amounts sufficient to pay the interest due on such dates on the 2022 Bonds then outstanding, and (ii) on or before each Interest Payment Date, amounts sufficient to pay the principal of the 2022 Bonds due on such date (whether by maturity or mandatory redemption). Should the amounts covenanted to be paid into the 2022 Bonds Sinking Fund be, at any time, in excess of the net amounts required at such time for the payment of interest and principal then due on the 2022 Bonds, whether by reason of funds already on deposit in the 2022 Bonds Sinking Fund or by reason of the purchase or redemption of 2022 Bonds or for some similar

reason, the amounts covenanted to be paid may be reduced to the extent of the excess.

(b) The School District may satisfy any part of its obligations, with respect to subsection (a), by delivering, to the Paying Agent and Sinking Fund Depository, for cancellation, Bonds maturing or subject to mandatory redemption on the date by which such deposit is required. The School District shall receive credit against such deposit for the face amount of the Bonds so delivered and the interest thereon that would otherwise be due on the applicable date of maturity or mandatory redemption, provided that such Bonds are delivered to and received by the Paying Agent and Sinking Fund Depository on or before the maturity date of the Bonds for which credit is requested, in the case of a deposit required for the payment of Bonds at maturity or before notice is given of any mandatory redemption of the series and maturity for which credit is requested, in the case of a deposit required for a mandatory redemption payment.

(c) All sums in the 2022 Bonds Sinking Fund or particular sub-account shall be applied, exclusively, to the payment of 2022 Bonds principal and interest covenanted to be paid by Section 10., above, hereof, as the same, from time to time, become due and payable. The balance of said moneys, over and above the sum so required, shall remain in the 2022 Bonds Sinking Fund, or particular sub-account, to be applied to the reduction of future required deposits; subject, however, to investment or deposit at interest, as authorized by law and as permitted by Section 19., below. The 2022 Bonds Sinking Fund shall be kept as a separate account at the Designated Corporate Trust Office of the Sinking Fund Depository. The Sinking Fund Depository, without further authorization other than as herein contained, shall pay from the moneys in the 2022 Bonds Sinking Fund, the interest on the 2022 Bonds, as and when due, to the registered owners on the appropriate Record Date and the principal of the 2022 Bonds, as and when the same shall become due, to the registered owners thereof.

(d) Notwithstanding the foregoing, in the case of optional redemption of any or all of the Bonds as permitted by Section 11., above, the Treasurer is hereby authorized and directed to deposit, from time to time, before the appropriate optional redemption date, moneys which shall be sufficient when they, either alone or together with the interest to be earned thereon, if any, will equal the principal of the Bonds so called for redemption and the premium, if any, and accrued interest thereon to the date fixed for redemption.

SECTION 13. There is hereby established, with the Sinking Fund Depository, a special fund to be known as the “Central Valley School District 2022 Bonds Clearing Account” (the “Clearing Account”) which shall be held as a trust fund for the benefit of the School District until disbursed in accordance with the provisions hereof. The School District shall deliver the net proceeds (including

accrued interest, if any) derived from the sale of the Bonds to the Sinking Fund Depository for deposit to the Clearing Account. Upon written directions from the School District signed by the President, the Sinking Fund Depository shall pay, out of the Clearing Account, the costs and expenses of the issuance of the Bonds; transfer the amounts of accrued interest, if any, to the 2022 Bonds Sinking Fund; deposit the specified amounts with the 2017 Bonds Paying Agent for the purpose of redeeming and/or refunding the Refunded Bonds, as contemplated in this Resolution and in the Official Statement; and transfer the amount specified in written directions to the depository bank therein specified for deposit in the 2022 Bonds Construction Fund for the purpose of paying the costs of the 2022 Capital Project. The written direction from the School District shall state the names of the respective payees; the purpose for which the expenditure has been incurred or the purpose of the transfer, whichever is applicable; and contain a certification that each item of expense for which payment has been requested has been properly incurred and is then unpaid, and that each transfer which is requested is in accordance with the provisions of this Resolution. Any insubstantial amounts of money which may remain after fulfilling the purposes set forth herein shall, promptly upon their determination, be deposited in the 2022 Bonds Construction Fund.

SECTION 14. (a) The School District hereby covenants with the registered owners, from time to time, of the Bonds that no part of the proceeds of the Bonds will be used, at any time, directly or indirectly, in a manner which, if such use had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986 (the “Code”) and the Regulations thereunder proposed or in effect at the time of such use and applicable to the Bonds, and that it will comply with the requirements of that Section and the Regulations throughout the term of the Bonds.

(b) The School District covenants that it will rebate its arbitrage to the U.S. Treasury, in accordance with Section 148(f) of the Code and regulations thereunder, but only to the extent that the allowable exceptions do not apply.

(c) The School District covenants that it will file IRS Form 8038-G and any other forms or information required by the Code to be filed in order to permit the interest on the Bonds to be excluded from gross income tax for federal income tax purposes.

SECTION 15. The action of the officers of the School District in advertising a preenactment notice of summary of this Resolution, as required by law, is ratified and confirmed. The officers of the School District are authorized and directed to advertise a notice of enactment of this Resolution in a newspaper of general circulation in Beaver County within fifteen (15) days after final enactment.

The Secretary is hereby directed to make a copy of this Resolution available for inspection by any citizen during normal office hours.

SECTION 16. The School District hereby appoints John F. Salopek, Esquire, as Bond Counsel, for the purpose of rendering any and all necessary opinions with respect to the Bonds.

SECTION 17. The President and Secretary are hereby authorized and directed to prepare, verify and file with the Department of Community and Economic Development, in accordance with the Debt Act, a transcript of the proceedings relating to the issuance of the Bonds, including the Debt Statement and Borrowing Base Certificate required by Section 8029 of the Debt Act and to take other necessary action.

SECTION 18. The President or Vice-President is hereby authorized to approve, on behalf of the School District, a Preliminary Official Statement prepared with respect to the 2022 Bonds and, subject to and upon such approval, is hereby deemed final, as of its date, by the School District, for the purpose of paragraph (b)(1) of Rule 15c2-12 of the Securities and Exchange Commission. The President or Vice-President is hereby authorized to execute and approve a Final Official Statement relating to the Bonds, provided that the Final Official Statement shall have been approved by the School District Solicitor. Upon approval as aforesaid, the distribution of the Preliminary Official Statement is hereby authorized and the Purchaser is hereby authorized to use the Preliminary and the Final Official Statements in connection with the sale of the 2022 Bonds.

SECTION 19. Any moneys in the 2022 Bonds Sinking Fund not required for prompt expenditure may, at the direction of the School District, be invested in bonds, notes or obligations which are direct obligations of, or are fully guaranteed as to principal and interest by, the United States of America or may be deposited at interest in time deposit accounts or certificates of deposit or other interest bearing accounts of any bank or bank and trust company, savings and loan association or building and loan association. To the extent that such deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency, they need not be secured. Otherwise, such deposits shall be secured as public deposits or as trust funds. Any such investments or deposits shall mature or be subject to redemption at the option of the holder, or be subject to withdrawal at the option of the depositor, not later than the date upon which such moneys are required to be paid to the registered owners.

SECTION 20. The officers and officials of the School District are hereby authorized and directed to execute and deliver such other documents and to take such other action as may be necessary or appropriate in order to effect the execution, issuance, sale and delivery of the Bonds, all in accordance with this Resolution.

[REVERSE OF BOND]

This bond is one of a duly authorized series of bonds, designated “Central Valley School District General Obligation Bonds, Series of 2022” (the “Bonds”), issued in accordance with Title 53, Part VII, Subpart B, of the Pennsylvania Consolidated Statutes (53 Pa. C.S. Section 8001, et seq.) known as the Local Government Unit Debt Act (the “Debt Act”), pursuant to all the terms and provisions of the formal action of the School District (the “Debt Resolution”) enacted on _____, 2022, and with the approval of the Department of Community and Economic Development of the Commonwealth of Pennsylvania.

Interest payable on any Interest Payment Date will be paid to the person in whose name this bond is registered at the close of business on the _____ or _____ (the “Record Date”), whether or not a business day, preceding the applicable Interest Payment Date. Any such interest which is not deposited with the Sinking Fund Depository on or before any such Interest Payment Date for payment to the registered owner of record as of the Record Date shall forthwith cease to be payable to such registered owner as of the Record Date, and shall be paid to the person in whose name this bond is registered as of a Special Record Date for the payment of such defaulted interest to be fixed by the Sinking Fund Depository, notice of which shall be given to all affected registered owners not less than 10 nor more than 15 days prior to such Special Record Date.

The Bonds maturing after _____, 20__ are subject to redemption at the option of the School District, prior to their stated Maturity Dates, as a whole or in part, on _____, 20__, or on any date thereafter, in any order of maturity (and in any authorized principal amount within a maturity) selected by the School District and selected by lot by the Paying Agent within a maturity, in both cases, at a redemption price equal to ___% of the principal amount thereof plus accrued interest to the date fixed for redemption.

Through the operation of the 2022 Bonds Sinking Fund (hereinafter defined), as provided in the Debt Resolution, the School District covenants to redeem (or pay at maturity, as the case may be) the Bonds maturing on _____, 20__, and 20__ in accordance with the following schedule, such redemptions (or payments at maturity) to be made at a redemption price of ___% of the principal amount plus accrued interest to the date fixed for redemption, i.e. _____ of the years and at the aggregate principal amounts set forth below:

20__ Maturity

<u>Redemption Date</u>	<u>Principal Amount To be Redeemed</u>
20__	\$
20__	\$
20__	\$

20__ Maturity

<u>Redemption Date</u>	<u>Principal Amount To be Redeemed</u>
20__	\$
20__	\$
20__	\$

***By Maturity, not by redemption.**

If less than all Bonds maturing on any one date are to be redeemed at any time, the Bonds of such maturity to be called for redemption at such time shall be chosen by the Sinking Fund Depository, by lot.

Notice of redemption, including conditional notices of redemption, of any Bond shall be given to the registered owner of such Bond by first class mail, not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption, all in the manner and upon the terms and conditions set forth in the Debt Resolution. A portion of a Bond of a denomination larger than \$5,000 may be redeemed, and in such case, upon the surrender of such Bond, there shall be issued to the registered owner thereof, without charge therefor, a registered Bond or Bonds, of like tenor, in exchange for the unredeemed portion of such Bond, all as more fully set forth in the Debt Resolution. If notice of redemption shall have been duly given, the Bonds or portions thereof specified in that notice shall become due and payable at the applicable redemption price on the designated redemption date, and if, on such date, moneys are held for such purpose by the Sinking Fund Depository in an amount sufficient for the payment of the redemption price of the Bonds to be redeemed, including accrued interest to the date fixed for redemption, then from and after such date interest on such Bonds shall cease to accrue.

The School District, pursuant to recommendations made by the Committee on Uniform Security Identification Procedures, has caused CUSIP numbers to be printed on the Bonds, and has directed the Sinking Fund Depository to use such numbers in notices of redemption and other notices, if any, as a convenience to the registered owners of the Bonds. No representation is made as to

the accuracy of such numbers either as printed on the Bonds or as contained in any notice and reliance may be placed only on the identification number printed hereon.

This bond may be transferred or exchanged only on the Register maintained by the School District at the Designated Corporate Trust Office of the Sinking Fund Depository upon surrender hereof by the registered owner at such office duly endorsed by, or accompanied by a written instrument of transfer duly executed by the registered owner or his duly authorized agent or legal representative, in each case, in form and with a guaranty of signature satisfactory to the School District and the Sinking Fund Depository. No service charge shall be imposed on any registered owner of any Bond for any transfer or exchange of any Bond, but the School District may require payment of any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The School District shall not be required to register the transfer or exchange of any Bond: (a) if such Bond is subject to such selection, during the period of fifteen (15) days before any date of selection of Bonds to be redeemed; (b) after such Bond has been selected for redemption; or (c) subsequent to any record date for the payment of interest thereon and prior to the interest payment date to which it pertains.

Subject to the provisions of this bond and of the Debt Resolution relating to the payment of interest hereon, the Sinking Fund Depository may treat the registered owner of this bond as the absolute owner hereof, for all purposes, whether or not this bond shall be overdue, and neither the School District nor the Sinking Fund Depository shall be affected by any notice to the contrary.

Unless this bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the School District or its agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co., or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered holder hereof, Cede & Co., has an interest herein.

This bond is hereby declared to be a general obligation of the School District. The School District hereby covenants with the registered owner of this bond to include the amount necessary to pay the debt service hereon, in each fiscal year for which such sums are due, in its budget for that fiscal year and to punctually pay or cause to be paid from the 2022 Bonds Sinking Fund (hereinafter defined) or any other of its revenues or funds, the principal of this bond and the interest hereon

on the dates, at the place and in the manner stated herein, according to the true intent and meaning hereof. The full faith, credit and taxing power of the School District is pledged for the payment of the principal of, the interest on and the premium (if any) payable upon the redemption of this bond.

It is hereby certified that all acts, conditions and things required by the laws of the Commonwealth of Pennsylvania to exist, to have happened or to have been performed, precedent to or in the issuance of this bond or in the creation of the debt of which this bond is evidence, exist, have happened and have been performed in regular and due form and manner as required by law; that this bond, together with all other indebtedness of the School District, is within every debt and other limit applicable to the School District prescribed by the Constitution and the laws of the Commonwealth of Pennsylvania; that the School District has established with the Sinking Fund Depository a sinking fund, within the meaning of the Debt Act, (the "2022 Bonds Sinking Fund") for this bond and shall deposit therein amounts sufficient to pay the principal of and interest on this bond as the same shall become due and payable; and that for the prompt and full payment of all obligations under this bond, the full faith, credit and taxing power of the School District are hereby irrevocably pledged.

No recourse shall be had for the payment of the principal of or the interest on this bond, or for any claim based hereon, against any boardmember, officer, agent or employee, past, present or future, of the School District, as such, either directly or through the School District, whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise; all such liability of such boardmembers, officers, agents or employees is hereby renounced, waived and released as a condition of and as consideration for the issuance and acceptance of this bond.

(END OF BOND FORM.)

SECTION 23. Subject to the issuance of the 2022 Bonds, the School District hereby irrevocably calls for redemption or payment at maturity on the date or dates stated in the Proposal, all of the Refunded Bonds, at par plus accrued interest and directs the 2017 Bonds Paying Agent, to give conditional timely notice of redemption or payment at maturity of the Refunded Bonds, in the manner set forth in the 2017 Resolution, and subject to the receipt of funds derived from the issuance of the 2022 Bonds.

SECTION 24. The Board hereby authorizes and directs the purchase of the municipal bond insurance policy, if any, specified in the Bond Purchase Contract, insuring the payment when due of the principal of and interest on the Bonds as provided therein. The proper officers of the School District are authorized and directed to take all required, necessary and/or appropriate action with respect to such insurance, including the payment of the premium thereof. The proper officers of the School District are also authorized and directed to execute any and all documents or agreements with respect to such insurance, as may be required by the insurer.

SECTION 25. The Board, on behalf of the School District, hereby designates that, if set forth in the Proposal, the 2022 Bonds shall have the status of a “qualified tax-exempt obligation” pursuant to Section 265(b)(3) of the Internal Revenue Code of 1986, as amended, and represents that the total amount of tax-exempt obligations issued and to be issued by or on behalf of the School District and its subordinated entities (if any) during the calendar year in which the 2022 Bonds are issued does not and would not be expected to exceed \$10,000,000.

SECTION 26. Reasonable cost estimates have been obtained for the 2022 Project with the assistance of persons qualified by experience. The useful life of the 2022 Project (and the remaining useful life of the 2017 Project) are at least twenty-five (25) years until 2047. All of the 2022 Bonds are hereby allocated to the 2022 Project. Therefore, the maturities of the 2022 Bonds are in accordance with Sections 8142(a)(2) and 8243 of the Debt Act. In addition, in accordance with Section 8142 of the Debt Act, the maturities of the Bonds shall be fixed so that the debt service on outstanding debt of the same classification, and for this purpose lease rental debt shall be considered as the same classification as general obligation debt, will be brought more nearly into an overall level annual debt service plan.

SECTION 27. The 2022 Bonds shall initially be issued in the form of one fully registered Bond for the principal amount of the Bonds of each maturity, which Bonds shall be registered in the name of Cede & Co., as nominee of the Depository Trust Company (“DTC”). The Bonds issued in the name of Cede & Co. in accordance with the provisions of this Section may be issued in typewritten form satisfactory to DTC. Except as provided below, all of the Bonds shall be registered in the registration books kept by the Registrar in the name of Cede & Co., as

nominee of DTC; provided that if DTC shall request that the Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the Bonds for an equal aggregate principal amount of Bonds of like tenor but registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from the School District or the Paying Agent either a Bond or any other evidence of ownership of the Bonds, or any right to receive any payment in respect thereof, unless DTC or its nominee shall transfer record ownership of all or any portion of the Bonds on the registration books maintained by the Registrar, in connection with discontinuing the book entry only system as below or otherwise.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price, if any, of or interest on such Bonds shall be made to DTC or its nominee. Each such payment to DTC or its nominee shall be valid and effective to fully discharge all liability of the School District or the Paying Agent with respect to the principal or redemption price of or interest on such Bonds to the extent of the sum or sums so paid.

The School District and the Paying Agent shall treat DTC (or its nominee) as the sole and exclusive registered owner of the Bonds registered in the name of DTC (or its nominee) for the purposes of payment of the principal or redemption price of or interest on such Bonds, selecting such Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to registered owners of such Bonds, registering the transfer of such Bonds, obtaining any consent or other action to be taken by registered owners of such Bonds and for all other purposes whatsoever in connection with such Bonds and neither the School District nor the Paying Agent shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in such Bonds under or through DTC or any such participant, or any other person which is not shown on the registration books of the Registrar as being a registered owner, with respect to: (1) such Bonds; (2) the accuracy of any records maintained by DTC or any such participant; (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on such Bonds; (4) any notice which is permitted or required to be given to registered owners of such Bonds; (5) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of such Bonds; or (6) any consent given or other action taken by DTC as the registered owner of such Bonds.

So long as the Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the registered owners of the Bonds under this Resolution shall be given to DTC.

In connection with any notice or other communication to be provided to registered owners of the Bonds pursuant to this Resolution by the School District or the Paying Agent with respect to any consent or other action to be taken by registered owners of the Bonds, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the School District or the Paying Agent may establish a special record date for such consent or other action. The School District or the Paying Agent shall give DTC notice of such special record date not less than ten (10) calendar days in advance of such special record date to the extent possible.

The book entry only system for registration of the ownership of the Bonds may be discontinued at any time if (1) after notice to the School District and the Paying Agent, DTC determines to resign as securities depository for the Bonds; or (2) after notice to DTC and the Paying Agent, the School District determines that continuation of the system of book entry only transfers through DTC (or through a successor securities depository) is not in the best interests of the School District or the beneficial owners of the Bonds. In any such event, unless the School District appoints a successor securities depository, the Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated in writing by DTC, but without any liability on the part of the School District or the Paying Agent for the accuracy of such designation. Whenever DTC requests the School District and the Paying Agent to do so, the School District and the Paying Agent shall cooperate with DTC in taking appropriate action after reasonable written notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

SECTION 28. In accordance with Rule 15c2-12 (the “Rule”) promulgated under the Securities Exchange Act of 1934, as amended, the School District will execute and deliver the Continuing Disclosure Certificate and/or Agreement described in the Preliminary Official Statement (the Undertaking”) under which it will agree to provide or cause to be provided (i) certain annual financial information and operating data, and (ii) timely notice of the occurrence of certain material events with respect to the Bonds. The Purchaser’s obligation to purchase the Bonds is conditioned upon its receipt of the Continuing Disclosure Certificate and/or Agreement, at or prior to the delivery of the Bonds, in form and substance satisfactory to the Purchaser and the School District’s Solicitor. The School District hereby covenants with and for the benefit of the holders and beneficial owners (within the meaning of the Rule) from time to time of the Bonds (which shall include any person or entity that has a pecuniary interest in any of the Bonds) that it will faithfully perform all actions it undertakes to perform in the Undertaking and to meet all requirements thereof to the best of its ability.

SECTION 29. All resolutions or parts thereof not in accordance with this Resolution are hereby repealed insofar as they conflict with this Resolution.
