To Whom it May Concern:

I, Debra L Guiliani accept the CVSD retirement package offer and will retire as of the last day of school in 2022. Therefore, on June 3, 2022 I will retire in full as a Fifth Grade Teacher in Todd Lane, Central Valley School District.

It has been a pleasure working with the staff and administration. I want to thank you, Dr. Perry for always being a visible, supportive, and professional leader for CVSD. It truly helps and has made my job enjoyable. I always looked forward to opening day, hearing your "speech of positivity", the pride of being a WARRIOR and your willingness to be available for support each new school year.

Teaching at CVSD has been an enjoyable, memorable, and rewarding experience. I gave 100% of my knowledge to my students and I was able to witness their excitement as they embraced, excelled, and grew in their early education. Witnessing the "a-ha" moments, the friendships, and the overall learning in the classroom made my job so enjoyable and easy. My colleagues now (and in years past) have always been supportive, collaborative, and gracious when working alongside each other to reach high standards of learning. Life throws many curveballs and our work family helped keep everything together with love and support. I am forever in awe by this community. I have made many lasting lifelong friendships that I will hold dear to my heart forever! Working at Todd Lane has been a rewarding career. Ending it under the supervisor/principal of Christina Feragotti makes my heart smile! She's a phenomenal leader.

Teaching is, and will always be, an important part of my life. I am blessed to have known it was my calling from an early age and I will continuously utilize all my experiences to help shape the future of young minds inside and outside of the classroom.

Once again, thank you so much and may the future educators of Todd Lane and Central Valley School District continue to be PROUD WARRIORS!

Thank you,

Debbie Guiliani
