Dr N Perry  
Central Valley School District

Dear Dr Perry

I have made the decision to retire this upcoming spring and I am writing to formally inform you that my last day of employment will be March 12<sup>th</sup>, 2025.

I would like to take this opportunity to thank you for the positions that I had held over the last 2.5 years. The Center Grange extension was a challenging project with a good outcome, something that we should all be proud of.

I then transitioned into the position of Facilities Director which has had its challenges but, again, we have managed to make some headway, and I thank everyone for the opportunity.

It has been a pleasure working for you and with you, I appreciate the support of the School Board and the faith they have had in me to get the job done. Thank you.

The Faculty and Staff in all of the schools have been very supportive of my crew and it's been a good experience working with them all.

I hope that the future for CVSD is successful and that the proposed plans and projects get accomplished to improve and create a good working/learning environment for all.

Thanks again, I will be keeping my eye on what we started with faith and excitement.

Yours sincerely
